Edification – E-Learning PSD Template

Date: 11th August, 2018

E-Learning is highly in demand these days. Edification is the PSD template for E-Learning website. It has all the major feature which has to be included. Your task is to just replicate the template. Enjoy Coding!

Fonts Used:

1. Nunito
2. Libre Baskerville
3. Rubik

Instruction:

1. Please download the fonts before opening the Photoshop file in your System. (All the fonts will be available on Google Fonts)
2. All the images have to be selected and inserted by you. It's not necessary that the images should be same as the Demo File Includes.
3. PSD will help you to create the layout, to fetch the colors, logos and icons. But a good developer should know what to use where.
